IDEA Games is looking for new testers to participate in beta test of ARMA 2.

IDEA Games is looking for new testers to participate in beta test of ARMA 2. Testing is taking place in our facilities in Prague on our PCs.

Due to its time flexibility this part-time job is especially suitable for college students.

Requirements :

- knowledge of Czech and English language (especially written)
- interest in PC gaming
- analytic way of thinking

For further info email: testing@idea-games.com
